Guide and Camp Staff Tips	- 12% on Flights, Hotels & Licences (All Clients)

Additional Info

Your trip includes good food, heated cabins/tents, showers, guides, trophy/meat handling and beautiful scenery. Fishing trips utilize boats/canoes and hiking. Hunting trips are by backpack and boat. Guide ratio is 2-1 fishing trips & 1-1 hunting trips. All trips will be booked based on availability, species of interest, and your level of experience and fitness.

Deposits

Once we have received your deposit of 50% we will send you a **Client Info Package**. This includes the information and forms necessary to facilitate your trip. Final payment is due July 1st the year of your trip. Payment for licences and float plane charter are also due at this time. In the event you need to cancel before July 1st the year of your trip it may be transferred to another person, no refunds. After July 1st (final payment) we will work with you to the best of our ability. Unfortunately Sometimes Life Happens. Make all payments (cheques or money orders) out to **Tsay Keh Dene**.

Licences

Once you have received your client info package please return the required forms ASAP so we can apply for your Hunting and Species Licences.

Arrival and Departure

If you choose to drive - Burns Lake BC will be the launch point for your trip.

If you choose to fly commercial - Smithers BC will be the launch point for your trip.

You are responsible for your travel arrangements to & from Burns Lake or Smithers.

Plan on arriving the day **before** the date shown as the first day of trip. Plan on leaving the day **after** the date shown as the last day of your trip.

Float Plane Charter

We will arrange your flight from either Burns Lake or Smithers to and from the Guide Area. The plane leaves approximately 9:00 AM the first day of your trip and returns approximately 3:00 PM the last day of your trip.

Flight time is approximately 2.5 hours. It is important to keep your personal luggage as close to **60 lbs.** as possible not including fishing gear, rifle or backpack.

Trophy Care and Meat Handling

During your trip we look after caping, salting and drying of your trophies. If you fly commercial to Smithers we have a taxidermist there that will look after all compulsory inspections and export permits. He will also double check, crate and ship your trophies to the destination of your choice. If you drive to Burns Lake you can stop in at the Prince George, BC Game Branch on your trip home for compulsory inspections and export permits.

Meat will not be wasted. If you wish to take all or some of your meat home please let us know ahead of time so arrangements can be made. There will be additional costs, i.e. Moose. We will utilize as much as possible in camp, any extra will go to the Tsay Keh Dene Nation Elder's membership.

Trophy Fees and Royalties

Payment for all Trophy fees and Royalties will only be accepted in the form of the following: Travelers Cheques,

Cashiers Cheques or Cash, (Due at start of Hunt). All hunts are fair chase and remember no hunt is ever guaranteed 100% success. Trophy Fees will apply when an opportunity to successfully harvest a mature legal animal is presented. I.E. Missed, Wounded or Passed.

Questions and Answers

Contact Luke Gleeson with any questions related to accessing the territory whether it be for a hunting, backpacking, or fishing adventure. Only serious inquiries please, as any additional information is available via the web-site.
